

**Subject: Letter of recommendation for Mirna Pušeljić**

**Labin, September 29th 2022.**

It is my great pleasure to write a recommendation letter for **Mirna Pušeljić** who volunteered at **Digital Labin 2022. conference** organized by **Lloyds digital**.

Digital Labin is one of a kind international ICT conference featuring inspiring speakers in web, mobile, and software design and development.

World-renowned design and coding mentors were holding workshops and presentations at the conference, regarding the latest technologies and trends, revealing coding and design tips and tricks.

Mirna is a diligent and dedicated volunteer who was ready to step out of the frame of the set tasks and provide assistance at any time. She has proved to be a friendly, kind, and warm colleague. I would like to emphasize the fact that Mirna would frequently show initiative when there was a problem, a characteristic I appreciate greatly.

It was a great pleasure to find a volunteer such as Mirna and I hope I will have the opportunity to work with her in the future. If that is not the case, I am sure she would be a great addition to any company.

Sincerely,

Domagoj Ostović
